Mr. Allen R. Prejean  
COO/V.P. of Operations  
Safe Haven Enterprises LLC  
Jennings, La 70508

Dear Mr. Prejean:

On behalf of everyone here at Seven Seas Water Corporation, we congratulate Safe Haven Enterprises LLC for EXCELLENCE in service, design, construction, and delivery of a Blast Resistant building.

The project at the Petrotrin facility for the WASA plant in Republic of Trinidad and Tobago continues on a path of success. The Blast Resistant building purchased from Safe Haven Enterprises is superbly constructed and exceeds our expectations. The delivery was timely and the installation of the building was successfully completed. We are confident that the building will provide many years of service.

We especially extend our thanks and gratitude to the Safe Haven employees who professional represented the company's capabilities, designed the building, fabricated, and prepared the unit for shipment. You should be very proud to have a well orchestrated group of employees. Thank you and we look forward to the next project.

Yours Sincerely,

William Sheahan  
Senior Project Manager
